**Embrace the Workplace Sustainability Learning Framework, a forward-looking approach that empowers you to thrive in the talent development field with innovative strategies.**

## Course Overview

Accelerate your readiness in Workplace Sustainability Learning initiatives that prove talent development capability. We understand that well- designed talent development strategies and solutions contribute to organizational success and have a strong grounding in the foundational knowledge of the field.

**NOW ... First time in ASIA.** We are excited to introduce an innovative "card game" learning activity, launching in Singapore, designed by Dr. Tommy Tan. This activity aims to provide you with a comprehensive learning experience guided by certified facilitators. The card game learning activity will take approximately 30 minutes, followed by 2 hours of active group learning.

During the card gaming session, we will delve into the Workplace Sustainability Learning Strategy covered in the card game. You will have the opportunity to interact, engage, and learn through a variety of methods, including group discussions, mini lectures, scenarios, and case studies. The goal is to ensure a dynamic and enriching learning experience for all participants.

We look forward to your active participation and encourage you to make the most of this exciting and fun learning opportunity.
